

## *United by true passion*

### **EFFFA Event Luxembourg 14-15 October 2022**

Hope everyone had a nice summer and recovered well.  
New info about the event is ready and I would like to inform you about it.

As already announced you can fish the 3 days but we would like to offer you the following in the form of workshops:

#### **Friday:**

09:00 - 12: 00 **Workshop for future masters.**

Here Gigi Rizzo and Mirco Bandi will show all casts for the exam with the corresponding trainings. The two have been training for this goal for almost 2 years now and are happy to share their knowledge with you. Only possible for instructors EFFA members. In the afternoon there is the possibility to consolidate this information with interested parties in a free training.

**Registration until October 8, 2022** on email [mirco.rb@gmail.com](mailto:mirco.rb@gmail.com)

14:00 - 17:00 **Workshop for futures instructors**

With Ferdy Geerdink and Dominik Borrmann we have 2 instructors on site who will show you all the requirements and also the steps that need to be mastered until the exam. Here is the possibility also for non EFFA members to participate.

**Registration until October 8th 2022** on email Ferdy Geerdink [geerd060@planet.nl](mailto:geerd060@planet.nl)

17:00 - 19:00 **Cast on the meadow according to exam mode for instructors**

Here you have the possibility to throw some live throws and requirements and to get an idea of to get an idea where you stand. Accordingly also immediately feedback from Valerio Santagostino and me. There is also the possibility for non EFFA members to participate.

**Registration until October 8, 2022** on email [d.difronzo@bluewin.ch](mailto:d.difronzo@bluewin.ch)

## **Saturday**

### **09:00 - 12:00 Italian fly fishing school**

Founding member of the famous TLT school Giacomo Catellani will show us casts with a perfect presentation that are very effective. Another topic will be the composition of the material. Here is also the possibility for non EFFA members to participate.

**Registration until October 8, 2022** on email [james.cat@libero.it](mailto:james.cat@libero.it)

### **14:00- 17:00 Underhand according to Göran Andersson**

Peter Henggeler, who has been working with Göran for many years, will show the the key points to those interested. The topic is to show the advantages and how effective it is to cast the technique also with the one-hand rod.

There is also the possibility for non EFFA members to participate.

**Registration until October 8, 2022** on email [peter@gaffd.com](mailto:peter@gaffd.com)

### **Common Dinner / Meet and Great**

are planned at Hotel Hauer <https://www.hotel-hauer.de>

Friday: 19.30

Saturday: 19:30

## **Fishing**

Meeting point for people who want to go to the water at 08:30 in the parking lot of the Hotel Hauer. Here will be informed about the possibilities which exist and distributed on the Spots distributed. Wolfgang Wagner [wwagnerd@web.de](mailto:wwagnerd@web.de) our man on the spot will be helpful with information about the waters.

Further mail with additional information will follow.

Glad to meet you.
